Solstice Senior Living provides respite stays – temporary, all-inclusive retreats for seniors. Respite stays are a perfect measure for illness prevention, as our communities are equipped to keep residents safe, healthy, and entertained during times when they are encouraged to stay home.

Solstice residents embrace independence while enhancing connections to family, friends, the community and personal passions with Vibrant Life®, our industry-leading resident engagement program.

Our host of optional day trips and activities allows you to expand your interests, routines and abilities. At Solstice, you will be as inspired, challenged and adventurous as you wish.

THE SOLSTICE WELLNESS PROGRAM

At Solstice, we believe resident choice is the key ingredient to quality senior living. We partner with a variety of health care agencies to empower seniors who need care services to live independently while paying only for the care they need. That's the Solstice Wellness Program.

The Solstice Wellness Program benefits seniors who may be:

- In need of some assistance but prefer an independent living setting.
- Not as confident or feeling lonely living at home alone.
- Participating in or exiting rehabilitation.
- Concerned about unplanned health care costs.
- Feeling burdened with homeownership.
